Summer Rockers.

"Better never late"—is well enough in its way. But here's an instance where lateness means substantial money-saving.
Every one of a hundred and more styles of summer rockers are priced for quick selling—priced lower than we have ever before been able to offer them. Stock is too large—and profit is not a matter of moment now.
Here are a few of the items selected from the great summer line on our fifth floor:
Large Arm Rockers of good design and excellent finish, at \$1.09, were \$2.25.
Large Arm Rockers, built especially for comfort, but a handsome and graceful chair, \$1.69, were \$2.49.
Split Seat and Back Sewing Rockers, light and durable, at 96c., were \$1.25.
Split Arm Rockers at \$1.29, were \$2.00.
Lawn Settees as low as 96c., and many styles to select from.

Awnings.

Our Awning Factory has already doubled last season's business—and the end is not yet. We are making the best awnings in the world—make them promptly and as you would have them made—made right.
Is your order on our books?

Instead of Washing Your Dog or Cat

every day, dust your pets with THOMPSON'S DUST-POWDER. It keeps them free of FLEAS—and is so much more convenient—and far more effective than a daily bath.

CARPET Chances.

HEAVY reductions throughout the entire stock of Carpets—stair, hall and parlor. In the house at a big saving. It's an opportunity you won't miss. Will sell them for you until they are gone.
